TELEPHONE INTERVIEW

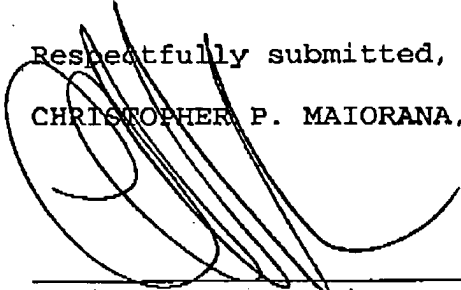

Applicant's representative (Chris Maiorana) and Examiner Toan D. Nguyen, held a series of telephone conferences the week of August 15, 2005. An agreement was reached that the claim amendments in this amendment would place the application in condition for allowance. The Examiner indicated that the amendments would be entered in an Examiner's amendment. However, on August 22, 2005, the Examiner indicated that the PTO would like an amendment with the agreed claim changes faxed. Also, the Examiner indicated that the non-patent documents submitted in an IDS on September 22, 2000 would be considered and that an initialed PTO-1449 would be returned.

The Examiner is respectfully invited to call the Applicant's representative should it be deemed beneficial to further advance prosecution of the application.
